Opus 32/2

Emenderad utgåva/Emended edition

Levande Musikarv och Kungl. Musikaliska akademien

Syftet med Levande Musikarv är att tillgängliggöra den dolda svenska musikskatten och göra den till en självklar del av dagens repertoar och forskning. Detta sker genom notutgåvor av musik som inte längre är skyddad av upphovsrätten, samt texter om tonsättarna och deras verk. Texterna publiceras i projektets databas på internet, liksom fritt nedladdningsbara notutgåvor. Huvudman är Kungl. Musikaliska akademien i samarbete med Musik- och teaterbiblioteket och Svensk Musik.

Kungl. Musikaliska akademien grundades 1771 av Gustav III med ändamålet att främja tonkonsten och musiklivet i Sverige. Numera är akademien en fristående institution som förenar tradition med ett aktivt engagemang i dagens och morgondagens musikliv.

Swedish Musical Heritage and The Royal Swedish Academy of Music

The purpose of Swedish Musical Heritage is to make accessible forgotten gems of Swedish music and make them a natural feature of the contemporary repertoire and musicology. This it does through editions of sheet music that is no longer protected by copyright, and texts about the composers and their works. This material is available in the project's online database, where the sheet music can be freely downloaded. The project is run under the auspices of the Royal Swedish Academy of Music in association with the Music and Theatre Library of Sweden and Svensk Musik.

The Royal Swedish Academy of Music was founded in 1771 by King Gustav III in order to promote the composition and performance of music in Sweden. Today, the academy is an autonomous institution that combines tradition with active engagement in the contemporary and future music scene.

LENZNACHT

Holder, lichter Lenz,
Du, der im Sternenscheine
still deine Wege gehst,
wandelst durch Flur und Haine,
Du gibst uns Blüh'n und Gedeih'n,
Du gibst uns Grün und Sonne
schenkst uns, glauben wir nur,
all unseres Herzens Wonne.
Streu'nun aus voller Hand
Tau und Duft auf Erden,
Funken, Vergessen, Gesang,
alles was neu will werden.
Doch, o milder Lenz, denk',
dass ein Hoffen Dir glühet
auch wo niemals, niemals
mehr neues Leben erblühet.
Träume, verblutet im Kampf,
Glaube, langsam zerronnen,
Fäden, die sacht' sich getrennt,
wie fest sie auch einstens gesponnen,
Saiten, die unbemerkt sprangen
doch lange noch bebten,
Zweifel, die stritten voll Mut
bis sie sich selbst überlebten.
Alle sie warten auf Dich,
harren dass Du sie erlösest,
rettest vom müden Pfad,
dass Du zu Asche sie Kissest.
Holder, lichter Lenz,
träufle Glück aus dem Äther,
doch wo Du strahlender gehst,
denk' auch der welken Blätter.

NOTTE DI PRIMAVERA

Leggiadra, splendente primavera,
Tu, che al chiaror delle stelle
silenziosa percorri le tue vie,
passi per campi e boschi,
doni a noi fertilità e prosperità,
doni a noi il verde e il sole,
ci regali, crediamo pure,
tutta la delizia del nostro cuore.
Spargi dunque a piene mani
rugiada e fragranza sulla terra,
scintille, oblio, canto,
tutto ciò che vuol rinnovarsi.
Però, o dolce primavera, pensa,
che una speranza arde in te
anche dove mai, nemmeno
nuova vita fiorisce.
Sogni, dissanguati in battaglia,
Fede, lentamente dileguata,
Fili, discioltisi a poco a poco,
per quanto fitti fossero tessuti un tempo,
Corde, spezzatesi inavvertitamente
pur avendo vibrato a lungo,
Dubbi, che han lottato con audacia
fino a resistere a se stessi.
Tutto questo ti attende,
aspetta di essere liberato da te,
salvato dall'inerte cammino,
trasformato in cenere da un tuo bacio.
Leggiadra, splendida primavera,
stillia felicità dal cielo (etere),
ma nel tuo andare raggiante,
ricordati delle foglie appassite.

Wilhelm Stenhammar

Wilhelm Stenhammar (1871–1927) tillhör de stora namnen i svensk musikhistoria – i dag mest känd som tonsättare, under sin korta livstid lika respekterad som pianist och dirigent. Det hör till saken att Stenhammar var verksam när det moderna musiklivet formades, och de främsta namnen under denna epok har aldrig förlorat sin lyskraft. För Stenhammars del illustreras det av de kompositioner som stadigt behållit sin plats som repertoarverk, i första hand hans första pianokonsert (b-moll), *Två sentimentala romanser* för violin och orkester, pianoverket *Sensommarnätter*, solosånger som ”Flickan kom från sin älsklings möte” samt körsångerna ”Sverige” och ”I seralliets have”.

Wilhelm Stenhammar skaffade sig en gedigen och framför allt bred musikalisk skolning: pianostudier vid Richard Anderssons musikskola, orgel för Wilhelm Heintze och August Lagergren, kontrapunkt för Joseph Dente, komposition för Emil Sjögren och Andreas Hallén. Som så många andra svenska musikstudierande vid denna tid, och tidigare, for Stenhammar också utomlands, till Berlin för pianostudier.

Redan under studietiden började Stenhammar framträda som pianist, men också komponera. Som pianist inledde han ett samarbete med violinisten Tor Aulin och dennes stråkkvartett som skulle komma att utveckla kammarmusicerande i Sverige. Deras turnéer runt om i landet är legendariska.

Stenhammar var dirigent för kören Filharmoniska sällskapet i Stockholm 1897–1900. 1902 var han med att grunda det som idag benämns Kungliga Filharmonikerna i Stockholm. Han dirigerade i perioder också vid Kungl. Teatern och var åren 1907–22 konstnärlig ledare för dåvarande Göteborgs orkesterförening. Wilhelm Stenhammar komponerade parallellt med sin verksamhet som pianist och dirigent. Periodvis tog dock de sistnämnda engagemangen över, men som fulltecknad musiker och dirigent behövde han å andra sidan inte komponera på beställning såsom flera av hans tonsättarkolleger tvingades till. Wilhelm Stenhammar blev invald som ledamot nr 501 i Kungl. Musikaliska akademien den 29 november 1900.

Om utgåvan

Levande Musikarvs emenderade utgåvor är redaktionellt genomsedda och korrigerade utgåvor av tidigare tryck med kommentarer rörande rättelser och ändringar införda i form av fotnoter.

Förlagan är utgiven av Abr. Hirschs Förlag, Stockholm, nr 2632.

På omslaget står: ”Wilh. Stenhammar / Folket i Nifelhem / Vårnatt / Klaverutdrag med Text / Abr. Hirschs Förlag, Stockholm / Rob. Forberg, Leipzig.”

Tryckår: 1897.

Wilhelm Stenhammar

Wilhelm Stenhammar (1871–1927) is among the great names in Swedish music history – now mostly remembered as a composer, but equally respected as a pianist and conductor during his short life. Part of this is due to the fact that Stenhammar was active during the formation of modern musical life, and the foremost names of this period have never lost their radiance. For Stenhammar's part, this is illustrated by the compositions that have consistently kept their places as repertoire pieces, on the first hand his first piano concerto (B flat minor), *Två sentimentala romanser* ('Two Sentimental Romances') for violin and orchestra, the piano piece *Sensommarnätter* ('Late Summer Nights'), solo songs such as 'Flickan kom ifrån sin älsklings möte' ('The Girl Came from Meeting Her Lover') and the choral songs 'Sverige' ('Sweden') and 'I seralliets have' ('In the Seraglio Garden').

He acquired a musical education that was both sound and extensive: piano studies at Richard Andersson's School of Music, organ for Wilhelm Heintze and August Lagergren, counterpoint for Joseph Dente, composition for Emil Sjögren and Andreas Hallén. Like so many other Swedish music students at the time, and earlier, he also travelled abroad, to Berlin, to study piano.

Stenhammar started performing as a pianist during his studies, and also began composing. As a pianist, he began collaborating with the violinist Tor Aulin and his string quartet, which would come to develop chamber music in Sweden. Their tours around the country are legendary.

He was a conductor for the Stockholm Philharmonic Society choir from 1897 to 1900. In 1902, he was among the founders of what is now known as the Royal Stockholm Philharmonic Orchestra in Stockholm. He also conducted at the Royal Opera and was artistic director of what was then the Gothenburg Orchestra Association from 1907 to 1922. In tandem with his career as a pianist and conductor, Stenhammar was a composer. However, the former activities would periodically eclipse his other work, but as a fully-fledged musician and conductor, he was not forced to compose on commission, as many of his colleagues were.

On November 29, 1900 Wilhelm Stenhammar was elected to the Royal Academy of Music as member no. 501.
